OBJECTIVE

Position as community worker utilizing my experience as a geriatric-care provider.

EMPLOYMENT SUMMARY

○○○ Social Services, San Francisco, CA

Consultant, January 1997 to Present

Designed and implemented state-of-the-art educational and enrichment community programs for older adults. Instituted a Computer Learning Lab for older adults learning basic computer skills including browsing the Internet.

○○○ Research Project, Oakland, CA

Project Director, August 1989 to January 1997

Supervised Optimum Foundation-funded research study of adults living in boarding homes in Oakland. Responsible for implementation and management of entire 20-person project. Convened Advisory Committee, designed research protocols. Hired consultants and staff. Managed budget and produced final report. As a result, a direct four-year follow-up project was funded based on the project's recommendations. Press attention: "Defending Elder Rights" published in Elder Care Monthly, May 1993.

○○○ Community Center, San Francisco, CA

Event Specialist, October 1987 to August 1989

Assisted in general duties of program development and follow-up in an inner-city community center environment. Established center public relations. Developed media contacts through organized events and projects at older adult units.

EDUCATION AND CREDENTIALS

University of ○○○, San Francisco, CA

B.A., Social Work, Minor: Humanities, June 1985

GPA: 4.0, Major GPA: 3.8. Special Interest: Urban Culture
